

Bowfire Base Camp

Bowfire Rise was borne out of a BIG VISION. God is the originator of this vision, not me! As God reveals it to me, I will convey it to you, the vision to empower artists, musicians, writers, and other creatives to influence culture as powerfully as the Renaissance did 400 years ago.

What did that Renaissance (rebirth) create? The medieval culture shifted to embrace the dignity of the individual, the beauty of nature and the universe, and new understandings of science and technology. In that world of feudalism, illiteracy, slavery, perpetual wars and religious oppression, something NEW stirred: hope, excitement, thought, and innovation! Gradually, the marketplace of ideas and the strength of liberated spirits began to captivate people to dream of more.

Now, and already brewing, is a renaissance such as the world has never seen. Far beyond simply technological innovation and commercial industrialization, THIS renaissance will begin from the inside out: spirit first, then soul, then the body. It is anchored in a rebirth of human hearts to the true potential that God has for them, armed with the spiritual integrity and resilience to bring that potential into reality in art, music, and media.

If you want to find out more, please join me for BOWFIRE BASE CAMP. I will hold several BASE CAMP Zoom meetings over the next few weeks to share the Bowfire RISE vision, and to talk about possibilities for involvement, either here with Bowfire Rise as a training and spiritual launching center, or with other resources emerging or well established that could open new vistas to you.

Do you want to be a greater part of breaking the modern veil of darkness, greed, and oppression—allowing your bowfire of talent and skill to ignite change in the world? Or maybe you want to be a prayer warrior, a mentor, or some other part of our team. If you want to be included, please email me for consideration: Chere@bowfirerise.com with the subject line BASECAMP to receive a personal invitation and link. The first base camp will be 40 minutes, a presentation with no obligation, just a vision and practical applications for you to consider.

Join me at our BASE CAMP—we have mountains to conquer!

Bowfire Rise is a ministry FIRST, before a business, so your prayers and support are so appreciated! We will partner with other ministries in the days ahead because we want to be a resource to the Body of Christ. I will be adding some Bowfire image merch to our Bowfire Arrow storefront, and every purchase will help support training materials and scholarships for our first cohort, beginning in January 2023. Various partner donations will also be available beginning December 15, 2022, so email me if you would like more information:
